

LatinUs Theater Experience Company

Philosophy:

Cultural and artistic activities enrich and improve the quality of life and the development of the community

Mission:

The creation of a Hispanic multicultural theater and arts center for those pursuing artistic excellence, provide a work space that honors tradition while also allowing artists to express themselves, and contribute to the progression of the culture of Ohio by involving the community in the development and conservation of arts and culture.

Vision:

To create and produce passionate, professional and world class theater in an artistic environment to develop artists from our Latino/Hispanic community in Ohio. This vision will encourage art of all Hispanics cultures in the community from local artists through production, workshops, and seminars.
